

## POSTER SUBMISSION

PEMS invites individuals and departments to submit a poster (or multiple!) in the following categories

- i) Quality improvement initiatives
- ii) Research Projects
- iii) Case reports and clinical pictures of interest

Poster submission must be emailed in pdf form to [info@pems.ch](mailto:info@pems.ch)  
by **15.08.2022**.

The posters will be pre-assessed and a preliminary decision about the congress participation made. The authors of the posters that can be presented at the congress will be contacted individually in advance.

The final posters which are to be displayed will need to be printed in A0 portrait (1189 x 841 mm) format.

The authors will have the opportunity to briefly present their poster during the "Poster Walk" at 11.15 am.

Directly after that session the winners will be announced.

**Posters welcome in EN/FR/DE**
